PROPERTY DESCRIPTION

What a beautiful home! This 6 bedroom, 3.5 bath pool home is special, indeed. Owned by Europeans who only live there part time, the home is model perfect and in brand new condition. Black Lake Park is a wonderfully planned gated lakeside community with lots of amenities including a boat ramp on Black Lake, community pool, park, gazebo and playground for the little ones. From the moment you enter the home, you will be impressed by the quality and design of the home. The formal living room is on the right and the formal dining room is on the left and leads to the kitchen through the butler's pantry. The kitchen/family room area is enormous. The cook's kitchen features many 42" cabinets, upgraded appliances, and a 4'X8' island with corian countertops and storage underneath. The huge walk-in pantry is 5'X7'. The family room is large, light and bright, and looks onto the pool area, lakeview, and complete privacy to the rear. The screened pool area has its own bath and looks on to the conservation area and Black Lake. The downstairs nanny suite or guest bedroom is complete with its own bath. The master suite is very spacious and the master bath is upgraded and features a bedroom sized master closet. Other upgrades include radiant barrier roof, double pane windows, and extra insulation to save on your power bills, salt pool system, hard-wired fire alarm, and much more. Priced low and NOT A SHORT SALE, this home will not stay on the market very long.
